TBD – TBD - Reducing Canes
TBD – Group Discussion – your favorite DIY Storage ideas, please bring in or show a photo

Weekend of Clay at the Foxon Firehouse, 1420 North High Street, East Haven, March 25th and 26th. Start thinking about classes you’d like to propose / take - Let’s talk...

We will be doing the “**Tree of Hope**” to benefit the Ronald McDonald House again this year. The guild will again donate a fully polymer clay-decorated Christmas tree to benefit the Ronald MacDonald House Charities of Connecticut and Mass.

For a unified style, the predominant color for your tree ornaments must be white or metallic (pearlized clay, glitter clay, glitter, mica powder). They should have a hole or O-ring so we can attach a hook. Please do not string your ornaments, we will provide the hooks.

Please make at least three ornaments (they don’t have to be identical) and give them to Diane by Saturday, November 19th. We will assemble the tree the next week on-site at the Maritime Center, 555 Long Wharf Drive, New Haven.

Tag Sale and Pot-Luck-Luncheon December Meeting:

Tag Sale: The more people who bring things in, the better the tag sale!!!
Members DONATE Polymer Clay/art/crafts related items to sell for \$1
Bigger ticket items are raffled off.
Smaller items to be packaged into \$1 value
Numbers are drawn, we line up.
Members select one item each time around
After a few turns the items are reduced to 2 for \$1 and so on until the table is empty.

Potluck Lunch:

We all bring in something to share...
Nothing is assigned...
We have plates, napkins, cups, etc.
If it will need serving utensils, please bring them.
We can't keep food cold or cook so keep that in mind. We can keep a few crock pots plugged in.

Kristie Foss: Teaching at Meiklem's Kilnworks in Bozrah, CT.

To register online go to: <http://www.meiklemkilnworks.com>

Saturday, December 3, 2016

Personalize a Wine Glass! ~ 9 am - 2 pm

In a set of wine glasses, they usually all look the same. Come learn how to use polymer to personalize wine glasses – do one, two or a whole set! Decorate just the base, or up the stem and bottom of the glass itself. This is a really fun project. Help people know which glass is theirs! End product is washable, too!

Materials Costs: Participants will need polymer clay in various colors, tissue blades, pasta machine, and glossy work surface. Instructor will have clay and blades for sale if desired. Participants should bring their own wine glass(es) to decorate.

Guild Library

To borrow any items from the Guild Library, please email your request to:
Debbie Goodrow at DGGoodrow@gmail.com

Simply browse through the library list and email Debbie the ID numbers
for the books and/or DVDs you wish to borrow.

(Please note that you **MUST** sign out all media with Debbie before taking them,
even if they do not have a sign out card attached. Thank you)

Did you enjoy the DVD you watched? Hated it? Thought the book you took out was helpful? Write a short review (approx. 50-200 words) to let other members know what you think and submit it to: Debbie Goodrow at DGGoodrow@gmail.com

Not comfortable writing the review, well Debbie has offered to help. Just email her your thoughts, what you liked, didn't like, and any anything else you specifically wanted to say. It only takes a few minutes, doesn't have to be long, and is a great way to participate even if you can't attend the meetings.

Traveling Exhibit

The Traveling Exhibit – Gerry Pieper is our Traveling Exhibit Coordinator. With setup help from a number of other members, our Exhibit will continue to inspire those with artistic interest.

Exhibit Locations:

December: North Kingstown, RI (Christy)

Contact Gerry Pieper to schedule the Traveling Exhibit in a Library or other public space near you. gerryssilver@att.net

Welcome New Members

Welcome Danny Bruna, from Hamden, who joined the guild at the Clay Day at Joanne Fabrics in Milford.
