☞ TAKE NOTE ☞

Challenge Due!

Use glass in some way while creating your polymer clay creation. The glass can be an integral part of the piece, or used in some way to create the piece. For instance: Covering a candle votive. Covering S&P shakers. Covering wineglasses. Covering a bottle. Or partially covering any of the above. Using glass cabochons to make eyes. Making a bowl over a round glass object. Using glass to put a shine on a surface. Using cut glass to texture an object. Covering an ornament. Bottles of Hope. Bonus points for using glass in a new way!

BOH Workshop: Debbie and Jackie are doing a Bottle of Hope Workshop with a Girl Scout Troop on Monday, May 20th, from 6:30 to 7:30 in the Rocky Hill area. For details contact Debbie Jett at debbiejett16@gmail.com

☞ MEETING AGENDA ☞
