WE ARE FULL! YAY!

Weed Pots

One day workshop

These silly birds are bound to make you laugh. Display your favorite dried flowers in their heads as the crowning touch.

Gather your favorite canes and settle in to create your own sill weed pot.

I'll be showing you how to use serious scrap clay (the grey mud) for the base or fresh original white Sculpey.

You'll make your own feet cane and I'll show you how to make Stroppel canes to use in your pots, so be sure to set out your "good" scraps too.

Warning! These guys are addictive and once you start making them you might not be able to stop.
